

About

This showcase is designed for storing and visually presenting cakes and other desserts. It is intended to be built into a tabletop. Thanks to a smart mechanism, the hinged doors open easily, allowing you to slide out the shelf with the products toward you, providing ample space for handling them. The front glass is equipped with a stainless steel safety chain to prevent tipping and

can be removed for complete maintenance of the unit. Ideal for restaurants, cafés, hotels, hospitals, and other food service establishments. Made of stainless steel, ensuring easy cleaning and long-lasting durability. Made from stainless steel material, so it is easy to clean and guarantees a long term service life.
